

Dealer Locator Form

Dear Dealer:

Empire Comfort Systems' web site includes an enhanced dealer locator to help customers find you and see what product lines you display. When a consumer enters a zip code the system calls up a list of nearby dealers. If you have a web site, it displays in red and acts as a hyperlink to your site. If you display our products, your listing will include an icon for each type of product – heater, fireplace, log set, or Mantis.

To be included, complete the form below. Please print clearly. Important note: We list only your physical location on the dealer locator (no PO Boxes), but we also require that you provide an e-mail address and a mailing address. We will remind you via e-mail each year to update your listing. If you do not reply, we will drop your store from the dealer locator. Consumers complain about outdated information on the dealer locator.

If you have questions or need further assistance, please contact me.

Sincerely,

Jeff Cleveland
Marketing Manager

Yes! I want to be included in the Empire Comfort Systems Web Site Listing.	
Dealer Name	Mailing Address (If different)
Street Address	Address
City, ST, Zip	City, ST, Zip
Contact	
E-Mail Address
