## Heat&Glo - Fireside Furnishings Fireplace Recommended Wood Mantel, Cabinet and Surround Quick Reference Sheet

Recommendations based on clearance to combustibles listed in installation instructions. If space is left blank, there are no mantel recommendations at this time.

\* NOTE: Hearth must be cut to fit between legs of mantel or recessed to be flush with the floor. Marble set sizes are minimum size required to fit. Larger sets may be used depending on desired look. Additional cuts may be required.

This sheet is intended to be used as a quick reference guide only. Use the HHT Natural Stone Sizing Guide for specific details on dimensions to cut legs/hearths.

## Heatilator - Fireside Furnishings Recommended Flush Wood Mantel, Cabinet and Surround Quick Reference Sheet

Recommendations based on clearance to combustibles listed in installation instructions. If space is left blank, there are no mantel recommendations at this time.

\* NOTE: Hearth must be cut to fit between legs of mantel or recessed to be flush with the floor. Marble set sizes are minimum size required to fit. Larger sets may be used depending on desired look. Additional cuts may be required.

\*\*NOTE: Size C mantels may be used with these fireplace skus but mantel legs must be cut 2.75" for proper fit.

This sheet is intended to be used as a quick reference guide only. Use the HHT Natural Stone Sizing Guide for specific details on dimensions to cut legs/hearths.
