

# ANNOUNCING

## HD35 Clean Face Direct Vent Fireplace HD Gas Series

The simple yet sophisticated design of Napoleon's new HD35 fireplace provides every comfort a homeowner needs to create a relaxing environment.

The clean face frame maximizes the viewing area so the realistic flames and log set are enjoyed to their fullest for a true masonry look and feel. With up to 25,000 BTU's, the HD35 generates plenty of cozy heat and can easily turn down to a lower, comfortable setting.

## FEATURES & BENEFITS

- Up to 25,000 BTU's • Certified to heater standards
- Clean, contemporary design
- Fuel saving electronic ignition with battery back up and built-in adjustable flame/heat control
- 35 1/4" w x 20" d x 41" h
- 4" x 7" direct top venting
- Realistic PHAZER® log set, rich in colour and detail, provide a real wood log appearance
- Advanced burner technology with glowing ember bed, produces the most realistic flames in the industry
- Convenient, pivoting, heat resistant glass door radiates heat back into the room
- Optional Porcelain Reflective Radiant Panels echo flames throughout the firebox
- Optional decorative Sandstone brick panels
- Optional faceplate with operable safety screen doors (with 3/4" depth adjustment for facing material) available soon
- Optional decorative andirons in traditional painted black
- Optional on/off or thermostatic remote control
- Optional heat circulating blower
- Optional hot air distribution kit
- Certified for bedrooms, bathrooms, bed sitting rooms and mobile homes
- President's Limited Lifetime Warranty
