

Sherwood Valve LLC

Valued Ray Murray Inc Customers

Sherwood Valve has announced a price increase that will go into effect November 13th for the companies various product lines. The percentage of increase varies by product group averaging 5%.

Since the beginning of the year the cost of copper, lead, zinc, and aluminum have increased.

Over the last 3 years Sherwood and Ray Murray Inc. have worked very hard to provide price stability for your Sherwood products and will continue to do this without sacrificing quality.

If you have any questions please don't hesitate to contact me.
