

### METHANOL

RMI Part No.	Description
METHANOL-5	Methanol 99.99% dehydrated 5 gallon pail
METHANOL-55G	Methanol 99.99% dehydrated 55 gallon Drum, Factory Drop ship

#### METHANOL REQUIREMENTS FOR WATER REMOVAL

Container Size	Minimum Amount of Methanol Required
100lbs	1/8 Pint (2 fl. oz.)
420lbs	1/2 Pint (8 fl. oz.)
250 Gal	1 Quart
500 Gal	1/2 Gallon
1000 Gal	1 Gallon

METHANOL-55G

### ALCOJECT METHANOL INJECTOR

Highly portable, used to inject methanol into tanks. Holds 5 oz. of methanol. Empties in 5-10 strokes. Check valves prevent back flow of propane pressure.

For use in the field on containers suspected of containing moisture or with which regulator freeze ups have occurred.

ABJ-2

RMI Part No.	Description
ABJ-2	Methanol Injector with o ring and wing nut for hand tight connection
ABJ-AA	Adaptor female POL x 1-3/4" ACME for connection from injector to fill valve
ABJ-RK	Repair Kit for ABJ-2
ABJ-POL	Replacement POL connecting adaptor with check

### METHANOL INJECTOR

- Heavy Gauge Steel Construction
- One Gallon Reservoir
- Self-Venting Cap
- 500 psi Maximum Injection Pressure
- Unit Weight-Approx. 38 lbs.
- 24" Handle with cushion grip
- (6 Strokes = 1 Pint)

INJECT-1

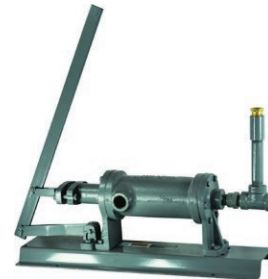

RMI Part No.	Description
INJECT-1	1 Gallon Methanol Injector with Hose Assembly
STD-MK1990	Repair Kit for INJECT-1

### KRUG HAND PUMP

Simple piston hand pump for uses in filling portable and motor fuel cylinders.

Six gallon capacity at 40 strokes per minute. Can also be used to pump methanol into systems.

RMI Part No.	Description	Inlet	Outlet
K-HP	Hand Pump	1" FNPT	3/4" FNPT
K-HPRK	Old Style pump repair kit		
K-HPRK-A	New Style repair kit		

K-HP

### VAC FILL

All in one filling adaptor. This completely assembled unit allows verification of vacuum on vacuum purged tanks, introduce methanol and fill the tank. Can be used on any size tank. Includes combination gauge, hose, POL adaptor, 1-3/4" ACME adaptor and isolating valves.

RMI Part No.	Description
VAC-FILL	Assembled Filling Adaptor

VAC-FILL

### PREPURGED VACUUMED TANK METHANOL HOSE

6' Hose assembly to add methanol into vacuum purged tanks

RMI Part No.	Description
MTH-HOSE	6' Methanol hose with POL and nut for hand tight connection

MTH-HOSE
