

Thermocouples

1970 SERIES THERMOCOUPLES

- Universal 30 MV Thermocouple
- Adapter with push in clip
- Available in Variety of lead lengths

RMI Part No.	Description
1970-018	18"
1970-024	24"
1970-030	30"
1970-036	36"
1970-048	48"
1970-060	60"
1970-072	72"

1970-018

1980 SERIES THERMOCOUPLES

- Universal 30 MV Thermocouple
- Snap-Fit Adapter
- Simplest replacement thermocouple available

RMI Part No.	Description
1980-018	18"
1980-024	24"
1980-030	30"
1980-036	36"
1980-048	48"
1980-060	60"
1980-072	72"

1980-018

ROBERTSHAW THERMOPILE/PILOT GENERATOR

- SS outer jacket for long life and resistance to heat blistering
- Combination of copper and nickel alloys for good electrical conductivity
- Mica washer to insulate from shorting conditions
- Two wire or screw in style Thermopiles
- 750mv thermopiles

RMI Part No.	Length	Pilot Adapter Included	Connection Type
1950-001	36"	yes-PG9	two wire
1950-002	48"	yes-PG9	two wire
1950-532	36"	no	two wire
1951-001	36"	yes-PG9	threaded nut
1951-536	36"	No	threaded nut

1960 SERIES LOW MASS THERMOCOUPLES

- Low mass or quick drop out thermocouple
- For applications that require and ODS on the Pilot safety
- Used on many applications that require quick drop out with loss of pilot flame

RMI Part No.	Description
1960-027	Low Mass thermocouple 27"

1960-027

J.C. K15DA STANDARD BASO THERMOCOUPLE

RMI Part No.	Length	Millivolt Range
K15DA-18H	18"	20-28
K15DA-24H	24"	20-28
K15DA-30H	30"	20-28
K15DA-36H	36"	20-28

K15DA-18H

J.C. K16BT HUSKY HIGH OUTPUT THERMOCOUPLE

RMI Part No.	Length	Millivolt Range
K16BT-18	18"	25-35
K16BT-24	24"	25-35
K16BT-30	30"	25-35
K16BT-36	36"	25-35

K16BT-18

Thermocouples

J.C. K17AT SUPER SLIM UNIVERSAL THERMOCOUPLE

RMI Part No.	Length	Millivolt Range
K17AT-18H	18"	25-35
K17AT-24H	24"	25-35
K17AT-30H	30"	25-35
K17AT-36H	36"	25-35
K17AT-48H	48"	25-35
K17AT-60H	60"	25-35
K17AT-72H	72"	25-35

K17AT-60H

Q340A SERIES UNIVERSAL THERMOCOUPLES

- Universal 30 MV Thermocouples
- Positive Positioning
- Bottom Lock design

RMI Part No.	Description
Q340A1066	18"
Q340A1074	24"
Q340A1082	30"
Q340A1090	36"
Q340A1108	48"

Q340A1066

Q313A SERIES UNIVERSAL THERMOPILES

- Two wire Universal Thermopiles
- 750mv thermopiles
- Easy installation
- Compatible with a majority of millivolt gas valves

RMI Part No.	Description
Q313A1055	47"
Q313A1170	35" with PG9 adapter
Q313A1188	35" with push in clip

Q313A1055

TEST ADAPTER

RMI Part No.	Description
10-038	Thermocouple test adapter

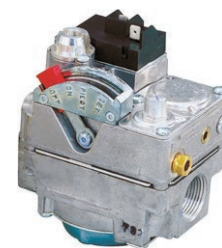

10-038

Robertshaw Control Valves

ROBERTSHAW 24 VOLT DUAL COMBINATION VALVES

Features

- 720 series Dual valve Gas control can be used to replace most constant pilot valves
- Designed for a wide variety of 24V heating applications
- Available with or without pressure regulator
- Uni-kits are factory set at 3.5"W.c. for natural gas
- Can be converted to LP by installing regulator conversion kit that is included

720-400

RMI Part No.	Robertshaw oem part number	Inlet	Outlet	Straight thru	Side Outlet with 1/2" plugs	Pressure Regulator	Btu Capacity nat/LP
720-400	7200ER	1/2"	3/4"	yes	no	Unikit*	150,000/240,000
720-402	7200ER	1/2"	3/4"	yes	yes	Unikit*	150,000/240,000

Non-stock/special order items are not cancellable or returnable
