

**Red Dragon Construction Heaters**

**RED DRAGON CONSTRUCTION HEATERS**

The Red Dragon Construction Heater's rugged design is perfect for temporary heating of warehouses, construction sites, machine sheds and more. These heaters require NO ELECTRICITY and are fueled by clean, efficient propane. All models come with complete safety features.

- **MADE in U.S.A.**
- Low profile prevents accidental tipping.
- Heavy gauge steel construction, stackable for convenient storage,
- Unique and efficient, high heat output close to the surface means a warmer working area.
- More radiating surface than a cylindrical shape construction heater.
- Easy Maintenance, one bolt removes burner and all controls.
- Minimum 100lb cylinder required, 5-8 hr. run time, Clearance 4ft on sides and 8ft above

CH220-QC

PLUS...

- Heat output: 200,000 BTU/hr. at 18 psi Preset Regulator and Safety Excess Flow P.O.L
- Piezo electronic ignitor.
- Thermocouple safety control.
- U.L. listed LP-Gas Hose Assemblies w/Quick Connect

Model #	Gas Type	Operation	Btu's	Description	Width	Depth	Height
CH220-QC	LP	Push Button Ignition	200,000	Construction Heater, 10' Hose Assembly	21.5"	26"	16.5"
CH250-QC	LP	Push Button Ignition	200,000	Construction Heater, 50' Hose Assembly	21.5"	26"	16.5"
CH2100-QC	LP	Push Button Ignition	200,000	Construction Heater, 100' Hose Assembly	21.5"	26"	16.5"

**ACCESSORIES**

Model #	Description
HP10TC	10' LP Gas Hose Kit w/ P.O.L and Regulator
HP50TQ	50' LP Gas Hose Kit w/ P.O.L and Regulator
HP10TQC	U.L. Listed 10' LP Gas Hose Kit w/ Quick Connect
HP50TQC	U.L. Listed 50' LP Gas Hose Kit w/ Quick Connect

**REPLACEMENT PARTS**

Model #	Description
CH221QC	Complete Burner Control Assembly (incl. everything except hose, regulator and P.O.L)
101-CH221	Heater Burner
R-700C	18 PSI Preset Regulator
H-19H	Safety Control Valve
M3012	12" Thermocouple
Model21C	Ignitor w/ Lead Wire (3009) and Spark Plug
3309	Lead Wire for Ignitor w/ ends
V-326	Flame Control Valve 1/4" Elbow
332XXX	Spark Plug
P-3200W	Excess Flow P.O.L
P-W795	Hand Tighten Excess flow P.O.L
HN-7	1/4" Female x Male Quick Connect Elbow
