

**Bromic Heaters**

**ECLIPSE SMART-HEAT ELECTRIC HEATERS**

- Premium Coated 304 Stainless Steel (heater head)
- Warm White LED Color - Dimmable
- Premium, Double Coated Steel (mounting arms)
- Minimal Vertical Clearance Requirements and Wide Range of Wall, Ceiling and Free-Standing Options

**Wireless On/Off Controller**

Bromic Heating independent 'On/Off' controller with wireless 4-Channel Remote can control up to two electric or four gas heaters across two separate circuits from up to 100 FT away. The wireless remote is fully portable or can be easily mounted with the included double-sided adhesive/screws.

**Wireless Dimmer Control**

With our Dimmer Control and wireless 7-Channel remote, you'll be able to precisely adjust the output of your electric heaters in 1% increments, or quickly jump by 25% increments for perfect comfort and complete flexibility from up to 100 FT away. The remote can be kept separate or easily mounted with the included double-sided adhesive or screws. Each dimmer controls one 6800W heater at 240VAC or two 3400W heaters at 240VAC.

**MARINE GRADE ELECTRIC HEATERS**

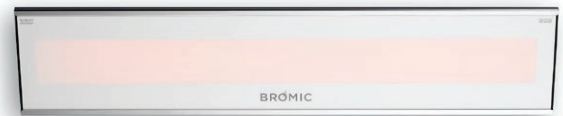

Our high-quality outdoor heaters and accessories have been developed & engineered specifically for marine applications and coastal environments and are the only outdoor heaters on the market that are fully Lloyd's register certified. Made of high-quality, AISI316 stainless-steel, Bromic Platinum Smart-Heat™ Electric Marine heaters were specifically engineered to provide superior resistance to the corrosive elements of coastal and marine environments. With their slim, aesthetic design and wind-resistant, radiant heat output, the Platinum Smart-Heat™ Electric Marine heaters are the ideal solution to enrich the comfort experience of owners of coastal residences and superyachts & guests on cruise ships.

**Features/Benefits**

- Compact & Elegant Design.
- Premium Stainless-Steel Construction.
- Tinted Glass-Ceramic Fascia.
- Slim-line Design.
- Simple and easy to use, with single-switch activation and smart system compatibility.
- Sealed compartment with thin film elements to prevent corrosion.
- Adjustable Mounting Brackets.

**What's Included**

- (1) 3,400 Watt Marine Grade Platinum Electric Heater.
- (1) 6" adjustable bracket for wall or ceiling mount applications.

**BH0320018**

**TUNGSTEN ELECTRIC HEATERS**

Expand your living space with the Bromic Tungsten Smart-Heat™ Electric series. Combining stylish, industrial design with market-leading radiant heat technology, the Tungsten Electric 6,000 watt heater will provide an even flow of warmth to outdoor spaces of up to 160 square feet. The heater's high-temperature coating and stainless-steel construction make it suitable for all environments.

**Features/Benefits**

- Matte Finish Stainless-Steel construction for reliable heating performance and durability, with the choice of corrosion-resistant black or white finishes.
- Superior wind resistance.
- High Quality Quartz Element.
- Parabolic Specular Reflector (PSR).
- Unique Design.
- Precise Directional Heating.

**TNG2000W**

**What's Included**

**Bromic Heaters**

**PLATINUM RADIANT GAS HEATERS**

Add style and warmth to your patio, with Bromic's Platinum 500 series gas heater. This powerful heater combines elegant design with industry-leading technology. With its signature ceramic fascia in a sleek black finish, the Bromic Platinum Gas will not only look great on your wall or ceiling but will also quickly project radiant heat deep into your outdoor area (up to 215ft<sup>2</sup>) while adding an extra layer of comfort with its soft red glow. The Platinum Gas series successfully overcomes winds of up to 12mph, keeping you and your guests warm in any condition. Choose between natural gas or propane (LPG) options.

Please Note: For low clearance areas, we recommend a heat deflector to protect the mounting surface. This accessory will also provide improved weather resistance and a more directional heat output.

**Features/Benefits**

- Stylish Tinted Glass-Ceramic Fascia.
- Instantaneous ignition, whenever you require it, without the need for a pilot light.
- Pivot Arm Bracket.
- Multiple Installation Options.
- Premium Construction.
- Ultimate Wind Resistance.
- Environmental Efficiency.

**What's Included**

- (1) 39,800 BTU, 500 Series Platinum Gas Heater.
- (1) Pivoting arm bracket for wall mount applications.
