

HEAT

by AMD Direct

Spring into action and start the outdoor patio fun early.

DSH

The DSH infrared heater is sleek and fits with both indoor and outdoor designs for environments with low lighting. With a 3 second heat up time, this electric heater is sure to bring comfort quickly and can be either wall, ceiling, or stand mounted - ceiling bracket and mounting stand sold separately.

DIR Series

With Schott Nextrema® ceramic tinted glass, the DIR series infrared heater combines attractive design with premium performance. This wall-mounted electric heater provides maximum warmth in as little as 6 seconds – go from cold to comfortable with the touch of a remote.

DIRP

No need for a professional electrician, once mounted, the new plug-in DIR series heaters are safe and easy to use. With the touch of a remote, the Schott Nextrema® ceramic tinted glass heats to maximum warmth within 6 seconds – a premium performance product.

DLW Series

Available in black or white, the DLW series infrared electric heater offers a slim profile and minimalistic style that blends with any décor. This radiant long-wave electric heater emits no visible light making it ideal for low-light environments and can be ceiling or wall mounted.

DGR32WNG

Warm your outdoor oasis without taking up patio space with the DGR wall-mounted natural gas heater. Mount from the ceiling or on the wall, whatever way works best for you. This award-winning design will keep your patio heated all season long.

DGR32PLP

The award-winning design of the DGR portable propane heater will keep you warm wherever you go. Its world-class wind protection rating of 16 km/hr ensures you and your guests feel warm even on the coldest nights.
