ORDERING PROCESS

GRILLS

Order using the SKU code rather than the product name, for example use the code "P3SX" rather than P3SX Super Premium Gas Grill Head". This will prevent errors during the fulfillment process.

REQUIRED ITEMS

Be sure to check in the "required items" table to see if there are any items that are needed to operate the unit.

For example, the P3SX lists a cart or post as a required item. Navigate to the required items column and select a cart or post from the table.

OPTIONAL ITEMS

Optional items are parts and components for the unit that are not required for operating the unit.
