YOU NEED TECHNICAL ADVICE?

Contact our technical support team at **1-877-356-6663** and follow the instructions.
By email at tech@sbi-international.com

ORDER CANCELLATION

An amount of 8% will be charged for the cancellation of any order. The amount charged increases to 15% when the order is cancelled within two (2) weeks of the expected shipment date.

Orders for which shipment is postponed for more than four (4) weeks from the original delivery date will be treated as cancellations. SBI reserves the right to withhold certain annual rebates payable at year-end if a customer refuses to pay any amount owing to SBI under the order cancellation policy.

CHANGES TO THE PRICE LIST

SBI reserves the right, without notice, to make changes to the price lists during the year (addition, withdrawal, price change, etc.). It is the customer's responsibility to always download the most up-to-date price list from the customer portal.

FUEL SURCHARGE

A freight surcharge may apply in the event of a crisis affecting the transport industry. The surcharge will apply to customers who are using SBI's prepaid, and prepaid and charge freight plans. The surcharge is applicable only if the T/L surcharge published by the Freight Carriers Association remains above 50% for a period of more than two weeks. If this occurs, the surcharge applied by SBI will be in force for a minimum of two weeks. If the rise in freight costs is not entirely attributable to a spike in fuel cost (e.g.: it could be caused by labour strikes, labour shortages, container shortages, etc.), then SBI may apply a surcharge per appliance at its discretion.

NORTH AMERICAN PREPAID & CHARGE FREIGHT POLICIES FOR PARTS AND ACCESSORIES

All part and accessories are shipped collect on the customer's courier account (UPS, Fedex, Puro, etc.). If the customer does not have a courier account, parts can be shipped "prepaid & charge". For customers ordering at least one stove, parts, and accessories with a total weight of less than 200 lb will ship free of charge under the customer's appliance freight program.

EQUISS FREESTANDING LOG HOLDER

This compact and robust log holder is entirely manufactured in Canada and made of high quality steel. Its integrated handles make handling easier. The assembly is done in seconds; simply intersect the two panels and voila! A cuttable rubber band is also available to provide protection for the floor surface and to give it a finishing touch. Once the heating season is over, this free standing log holder is easy to take apart and will not clutter your living space.

48" WOOD STORAGE WITH FINISHING TRIM

Built-in or freestanding, configurable vertically or horizontally, you will appreciate the versatility of this wood storage unit. It will most certainly find its place in your decor, whether next to your wood stove, close to your heater or the entrance where it can be used as a bench when positioned horizontally. For a pure and minimalist décor, the box can be integrated inside one of your walls. A finishing trim is provided for this flawless look. Very sturdy, this heavy-steel (14 ga) wood storage is powder-coated and can accommodate logs up to 18" in length. The steel frame contains four concealed wooden blocks to prevent premature wear of your floors. An accessories storage drawer (17" x 15" x 6") is available as an option. Conveniently put away the poker and shovel included with this drawer! Delivered in a compact package, this wood storage unit is very easily assembled. You will be impressed! Made in Canada.
